Information Disclosure Statement

Examiner Wells:

The reference cited on attached form is being provided for consideration during examination of the above-identified patent application. It is respectfully requested that all cited references be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue from this application.

No inference should be made that the information and references cited are "prior art" as defined in 35 USC §§ 102 or 103, and the Applicant reserves the right to establish that any of the cited references are not "prior art." No representation is being made that a search has been conducted, or that this statement encompasses all possible relevant information.

In accordance with 37 CFR §1.97(e), Applicant (i) herewith certifies that the reference identified in the information disclosure statement was first cited in a communication from a foreign patent office in a related foreign application not more than
